

eWiSACWIS Case Closure Key

Administrative Closing	This reference value is used when a case is being closed due to an administrative decision that the family will no longer receive services from the county.
All Kinship Payments Ended	The kinship payments/placement have ended and the family is no longer receiving kinship services from the county.
Case Outcomes Achieved	The case plan outcomes have been achieved and the family is no longer receiving services from the county.
Child Adopted w/o Adoption Assistance	The child has attained permanence through adoption and the adoptive family is not receiving Adoption Assistance payments or any other services from the State of Wisconsin. This reference value is used to close the Pre-Adoptive Child case and open the Adoptive Home case in eWiSACWIS once the adoption has been finalized.
Child Adopted with Adoption Assistance	The child has attained permanence through adoption and the adoptive family is receiving Adoption Assistance payments and/or services from the State of Wisconsin. This reference value is used to close the Pre-Adoptive Child case and open the Adoptive Home case in eWiSACWIS once the adoption has been finalized.
Child Reached Majority	The child has reached the age of majority and is no longer eligible to receive Child Protective Services or Juvenile Justice Services from the county.
Client No Longer in Service Area	This reference value is used when the family has moved out of state or out of the area in which there is jurisdiction to continue to provide services to the family. If the case is being transferred to another county for continuing services the case should NOT be closed but simply re-assigned to the county now providing services.
Closing Disrupted	This value is system generated when the case closure has been Not Approved by either the worker or the supervisor. This will stop the case closure process.
Deceased	The child who was receiving services from the county is deceased.
Event 2 AAFC Conversion	When cases were converted into eWiSACWIS from the AAFC system it was not possible to accurately determine which cases had closed for which reason so this default value was created to document that these cases were currently closed but had been brought into eWiSACWIS from the AAFC system.
Family Unchanged but Child Safe	Circumstances have changed which has resulted in the child being deemed safe despite the fact that the dynamics of the family itself have not changes. The family is no longer receiving services from the county.
Family Whereabouts Unknown	The family cannot be located and it is impossible to continue to provide services.
ICPC Child Adopted w/o AA Agreement	The ICPC child has attained permanence through adoption and the adoptive family is not receiving Adoption Assistance payments or any other services from the State of Wisconsin. This reference value is used to close the ICPC Pre-Adoptive Child case and will not open an Adoptive Home case in eWiSACWIS once the adoption has been finalized.
ICPC Child Adopted with AA from WI	The ICPC child has attained permanence through adoption and the adoptive family is receiving Adoption Assistance payments and/or services from the State of Wisconsin. This reference value is used to close the ICPC Pre-Adoptive Child case and open the Adoptive Home case in eWiSACWIS once the adoption has been finalized.
ICPC Child Adopted with Non WI AA	The ICPC child has attained permanence through adoption and the adoptive family is receiving Adoption Assistance payments and/or services from a state other than Wisconsin. This reference value is used to close the ICPC Pre-Adoptive Child case and open the Adoption-ICMA case in eWiSACWIS once the adoption has been finalized.

eWiSACWIS Case Closure Key

ICPC Child Adopted with Non WI SG	The ICPC child has attained permanence through adoption and the adoptive family is receiving Subsidized Guardianship payments and/or services from a state other than Wisconsin. This reference value is used to close the ICPC Pre-Adoptive Child case and open the Adoption-ICMA case in eWiSACWIS once the adoption has been finalized.
In Home Safety Services Failed	The family is not cooperating with the in home safety plan and/or not achieving the desired outcome from the in home services provided by the county. There are no grounds for court intervention and the family is not seeking additional services from the county.
No Unsafe Condition Found	The case is being closed as there have not been any unsafe conditions identified and the family is not receiving services from the county.
Other	This reference value is used when the reason for case closure is not captured by any of the other reference values available.
Others Can/Will keep Child Safe	This reference value is used when the child is able to be kept safe by others despite the fact that maltreatment has occurred or was likely to have occurred. The family is not receiving services from the county.
Reunification	The child has attained permanence by being successfully reunited with their family. The family is no longer receiving any services from the county.
Screened Out Referral	This reference value is used when an intake has been screened out by a county and there is no reason for a case to be opened for investigation or services.
Service Provided by Other Agency	The family is in need of services from an agency other than the county's kinship, CPS or Juvenile Justice departments.
Services Needed not of CPS Nature	The family is in need of services from an agency other than the county's CPS department.
Situation Changed w/o CPS intervention	The dynamics of the family or situation changed without intervention or services from the county. The family is not receiving services from the county.
Service Refused by Client/No Legal Grounds	The family is not willing to work with the county to receive services and no legal grounds exist for the county to request court involvement in the case.
Stepparent Adoption Complete	The stepparent adoption has been finalized and additional services are no longer necessary/being provided.
Stepparent Adoption Study Complete	The stepparent adoption study has been completed and additional services are not necessary/being provided.
Transfer of Guardianship	The child has attained permanence by guardianship being transferred to another individual. If the case is being transferred to another county for continuing services the case should NOT be closed but simply re-assigned to the county now providing services.
Voluntary Placement Expires	The Voluntary Placement Agreement has expired and the family is no longer receiving services from the county.
